

# German – Russian Travelling Seminar

## “Nanomaterials and Large-Scale Research Centers”

July 28<sup>th</sup> – August 10<sup>th</sup> 2019

Irkutsk – Lake Baikal – Novosibirsk – Moscow

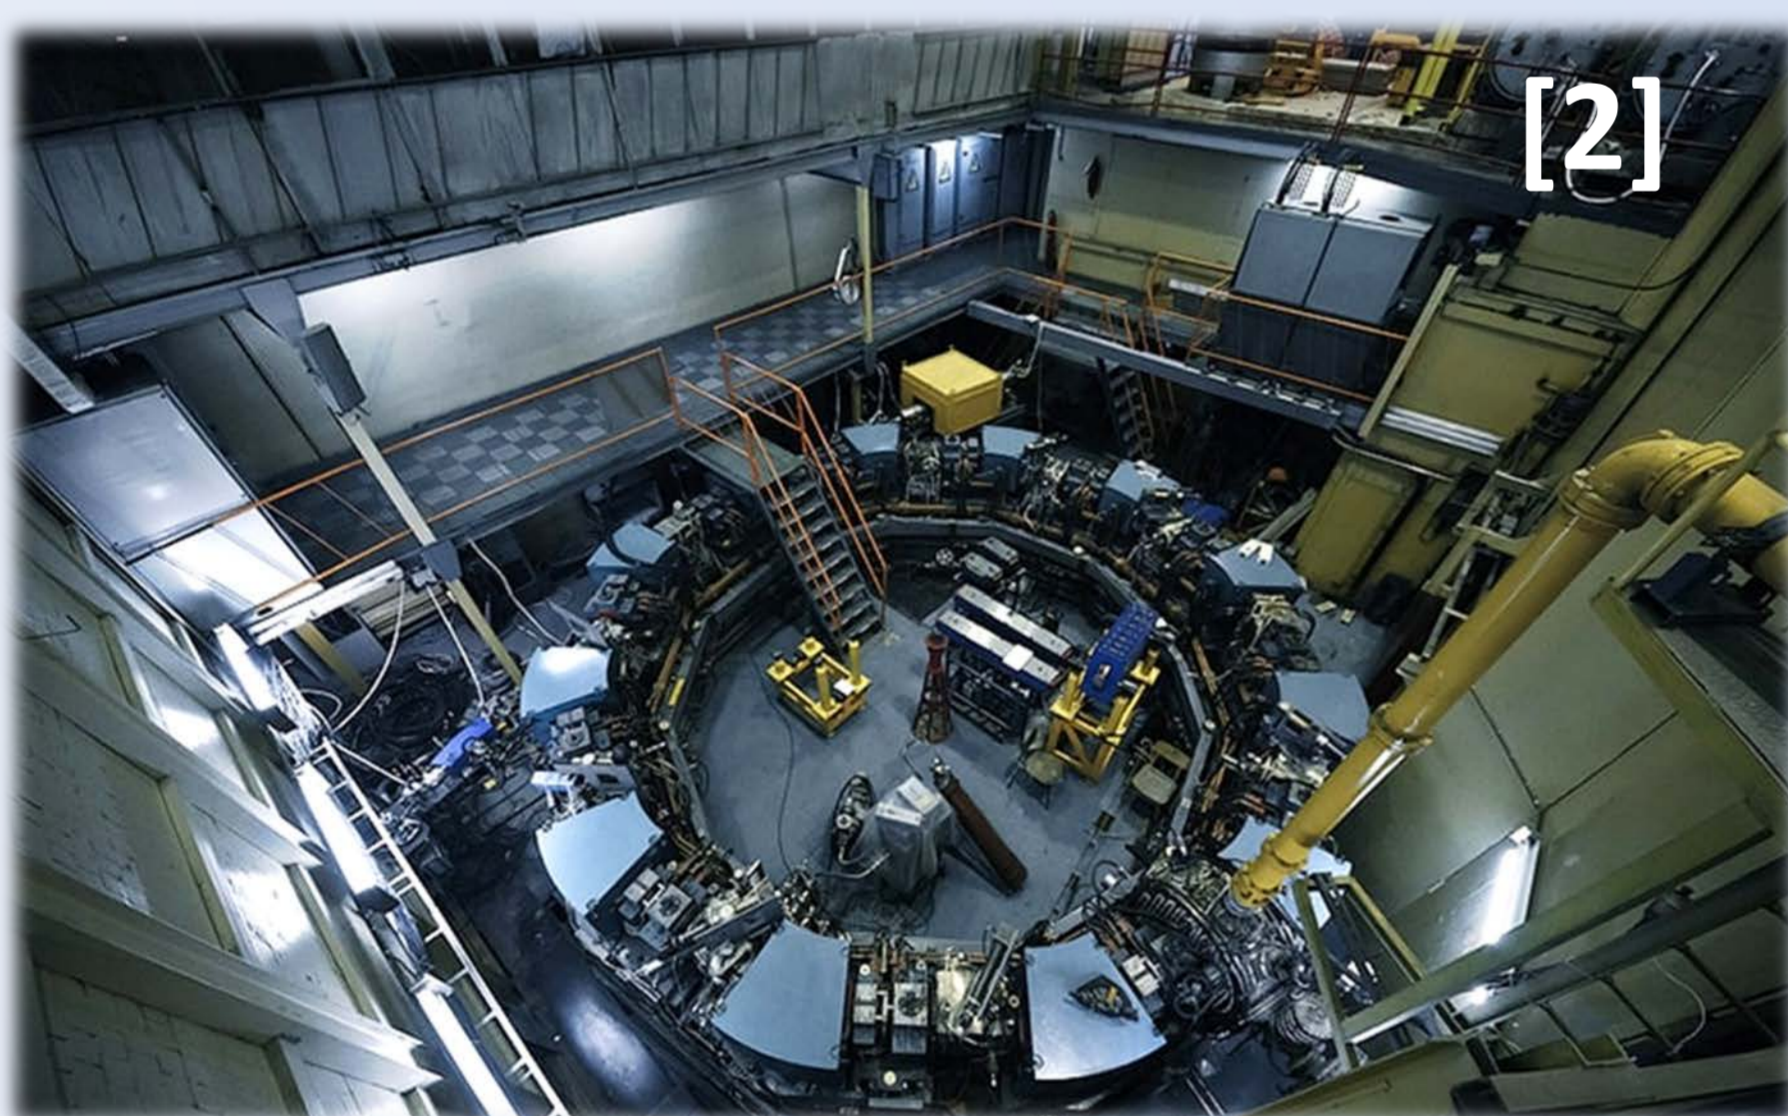

### SCOPE

- Physics and chemistry of nanomaterials (synthesis, characterization)
- X-ray and neutron scattering techniques
- Visits to major research facilities and scientific institutes

### PARTICIPATION

- 12 Russian + 12 German students (and 2 professors each)
- 3<sup>rd</sup> year BSc, MSc, 1<sup>st</sup> year PhD students in natural sciences and engineering
- Costs for accommodation and transportation are covered
- All participants contribute a scientific talk (15 min)

### APPLICATION

- CV and motivation letter in English (with prospective title of your talk)
- Russian applicants: Dr. M.I. Vlasov, maxim.vlsv@yandex.ru
- German applicants: Prof. M. Zobel, mirijam.zobel@uni-bayreuth.de
- Deadline: March 15<sup>th</sup> 2019
